Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English. Brand new Book. The room fronted the west, but a black cloud, barred with red, robbed the hour of twilight's tranquil charm. Shadows haunted it, lurking in corners like spies set there to watch the man who stood among them mute and motionless as if himself a shadow. His eye turned often to the window with a glance both vigilant and eager, yet saw nothing but a tropical luxuriance of foliage scarcely stirred by the sultry air heavy with odors that seemed to oppress not refresh. He listened with the same intentness, yet heard only the clamor of voices, the tramp of feet, the chime of bells, the varied turmoil of a city when night is defrauded of its peace by being turned to day. He watched and waited for something; presently it came. A viewless visitant, welcomed by longing soul and body as the man, with extended arms and parted lips received the voiceless greeting of the breeze that came winging its way across the broad Atlantic, full of healthful cheer for a home-sick heart. Far out he leaned; held back the thick-leaved boughs already rustling with a grateful stir, chid the shrill bird beating its flame-colored breast against its prison bars, and drank deep draughts of the blessed wind that seemed to cool the fever of his blood and give him back the vigor he had lost.
